Dear Pradeep,

It was a pleasure to meet you during my recent trip to Jaipur. Thank you for hosting me at CUTS International. I appreciated learning about your institution's impressive history and valuable partnerships with the U.S. Mission in India. I also enjoyed our discussion on the Indo-Pacific and India's economic reforms. I am very impressed by the work of CUTS and look forward to working together to strengthen the U.S.-India relationship.

Thank you, again, for the warm hospitality, the scarf, and the book of essays in your honor.

Best regards,

Patricia Lacina
